English,French,German,Japanese

This content is downloaded to your install folder for ACID. It's in a folder cleverly titled "Loops". This installs automatically when you download and install ACID. Hope this helps.
. I lost my premuim content when sony sold this the Magix while I'm happy with the software. However I'm not happy with the fact they removed my delux loop. anyhow I changed it ot positive as I got this on sale so I should NOT complain
