Dogs Wish List: The wish list is empty. December 2, 2017 Sammy Blanco 101 out of 131 people found this helpful. ✓ New games for Macbook January 30, 2018 Sergio L. C.M.All Artes,São Paulo,SP, Brasil Double-Click What does this app do? With this application, you can download new games for your MacBook. There are a lot of games here, and they are arranged in categories. You can browse the list and select the ones you want to download. Once you do so, you can download them and install them to your system. This is especially helpful if you have a slow MacBook, as you can leave the downloading on while you're using your other applications. What does this application do? The name of the app suggests that it will help you download new games for your MacBook. You can also browse the list of games you already have installed on your system and select the ones you want to install. It is really useful, especially if you have a slow MacBook, as you can leave the downloading on while you're using your other applications. How do I install a game? This is really easy. Simply click the installer file on the list of games, and it will be downloaded and installed to your Mac. If you prefer, you can also drag a file to this section and this will be the exact equivalent. You can even access more details about the game, such as description and tags. January 30, 2018 Paulo Neves 1 out of 1 people found this helpful. ✓ Display only my photos January 31, 2018 Ralph Torres Guadalupe,México Double-Click What does this app do? With this
